CONNECTING WITH CULINARY - Of course we would hope members of Zion will support Culinary events by attending those events but that is not always possible. So here are a few ways you can support an upcoming Culinary event when you cannot make it to the event yourself.

1. Make a cash donation to Culinary to help cover the event's costs. (Mark envelope "CULINARY EVENT")
2. Take a poster for the event and place it in a place where it will get lots of notice: the lobby of your building; a store; the Post Office; where you work.
3. When the event is a sale like a pie, candy or filling sale, ask for an order form and take orders from friends, family and co-workers. Then give those order forms to a member of Culinary by the deadline date.
4. Share notices on our Facebook page (or other social media) with your friends through your Facebook page. You can even take orders online.
5. Steer friends, family members and co-workers to the Zion website where online orders can also be taken.
